Congratulations: you are holding the new comprehensive Michiana area bike map, a joint effort of the Bike Michiana Coalition, local governments and private industry.

This map shows the existing bike routes including multi-use bike trails, striped bike lanes and signed share the road routes.

This map is one of the many projects developed by the Bike Michiana Coalition, a part of a network of regional non-profit cycling groups including: Bike Michiana for Hospice, Michiana Bike to Work Week, Bike the Road, Michiana Bicycle Association (MBA), Northern Indiana Mountain Bike Association (NIMBA), Friends of Granger Paths, IN-MI River Valley Trail Partners, Friends of the Pescuess Teal Trail, Bike Elkhart, Inc., Chain Reaction Bicycle Project (Goshen), Michiana Runners Association (MRA) and The all-encompassing BikeMichiana.org web site.

As you use this map to navigate our community, please help assure your safety and the positive reputation of all cyclists in our community by always:
- Wearing your bike helmet
- Wearing highly visible clothing
- Staying in all traffic lanes
- Stopping at stop signs and signals
- Riding with traffic, arrow against traffic
- Riding in a predictable manner so as not to startle drivers
- Signalizing and backing before turning
- Using head lights and tail lights at night
- Yielding to pedestrians

Welcome to Michiana’s growing Bike Network system. Have fun, explore our community, and let’s all be safe and smart out there.
